

PROLIFT-SCL™

COMMERCIAL WHEELCHAIR LIFTS

THE INDUSTRY STANDARD • THE QUALITY STANDARD

14430/CON
BuyLine 8032

The Concord ProLift-SCL sets new standards for commercial wheelchair lifts, providing freedom, independence and accessibility. ProLift-SCL's state-of-the-art control and roped hydraulic drive system deliver reliability, safety and smooth operation.

Available in a wide variety of colors and finishes, cab design can be customized to fit any décor. The ProLift-SCL installs easily in virtually any application, allowing access up to four levels and delivers equal measures of accessibility and affordability.

Heavy-duty design ensures reliability.

Quality finishes and wide choice of wall panels.

Minimum space requirements ideal for new and existing buildings.

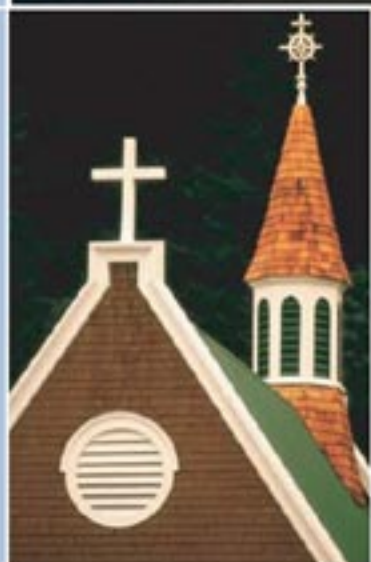

Smooth quiet and dependable hydraulic drive system.
